Github Account: github.com/rkeisling

EDUCATION

Software Development: Base Camp Coding Academy, *expected graduation May, 2017*
Specialization/Technical Passion: Fullstack
High School: Lafayette County High School, *graduated May, 2016 with Special Honors and 4.24 GPA*

TECHNICAL EXPERIENCE
Feb, 2017

Python Tool Rental Program, Base Camp Coding Academy
Goal: Create a command line interface program that mocks a tool rental company.
Resources: Python 3, GitKraken, mypy, pytest
Link: https://github.com/rkeisling/tool_rental
- Provided user with choices through the command line to rent, purchase, return, and replace tools
- Used mypy for static type checking to ensure the use of solid code techniques
- Utilized thorough testing for all logical functions

Oct, 2016 -
Nov, 2016

Flea Project, Base Camp Coding Academy
Goal: Create a simple mini-game in the browser with a team of three
Resources: JavaScript, HTML, crafty.js
Link: https://github.com/rkeisling/flea
- Implemented JavaScript library (crafty.js), allowing for easier creation of graphics and physics
- Worked almost entirely in JavaScript due to nature of the game

TECHNICAL SKILLS
- Served as the glue to hold the group together when obstacles were encountered

Languages: JavaScript, HTML, CSS, Python**,** SQL, Java
Frameworks: Bootstrap, Flask, PonyORM
Operating Environments: Mac OS, Linux

LEADERSHIP EXPERIENCE
Dec, 2015 -
May, 2016

Development Tools: Atom, Command Line, Git, Microsoft Office, Visual Studio Code

Corps Commander, LHS AFJROTC
Goal: Serve as leader of over 100 cadets, controlling scheduling, organization, and discipline throughout the unit
- Received several national recognitions for demonstration of outstanding leadership and academic feats
- Revamped the discipline system and incorporated vital policies still in use today
- Served as example for integrity and excellence
- Coordinated volunteer events for unit, including organizing and executing the annual Veteran's Day program for LHS

Nov, 2015

Unit Inspection, LHS AFJROTC
Goal: Obtain Distinguished Unit with Merit from the state unit inspector (occurs once every four years)
- Made several Powerpoint presentations and presented them to the inspector
- Conducted a unit-wide uniform inspection alongside the inspector
- Received top-tier level rankings from the state

WORK	**Keisling Farms**, Water Valley, MS
EXPERIENCE	*Description:* Serve as a general farmhand, ensuring every task is completed in a timely manner
